HARRY ABRAHAMSEN | FOUNDER & CEO

Harry Abrahamson is one of the leading financial strategists in personal financial economics. He understands the necessity of crafting a personalized financial strategy for each client. After Sept. 11, 2001, Harry realized how important it is to properly protect yourself from unexpected life events and control his own destiny. Today, he helps his clients do the same. He pulls from his own experiences and life stories to relate to his clients to help them navigate through financial challenges they may face.

Throughout his career, Harry's clientele has consistently shared one common objective: to receive expert advice and guidance from someone they trust. As a financial professional and macro advisor, Harry works alongside attorneys, CPAs, and bankers to coordinate a plan that collectively over-delivers on clients' expectations.

Harry describes his business career as a process of reinventing himself. He received his Bachelor of Science in Marketing with a minor in Finance from the University of Tampa in Tampa, Florida. Post-graduation, Harry helped build a family business from the ground up. After ten successful years, Harry sought a more challenging career path and started Abrahamson Financial Group. As a result, he was accepted into a three-year executive, entrepreneurial leadership program, The Birthing of Giants, at Massachusetts Institute of Technology, Cambridge, Massachusetts, with 60 other top entrepreneurs from around the world. During this time, he also served on the Young Entrepreneur's Organization of New York board of directors. He was the Bill Trimble Award recipient for the Entrepreneurs' Organization New York Chapter for Worldwide Growth.

Harry has received several industry honors, as well as being named a perennial Million Dollar Round Table, Court of the Table, and Top of the Table qualifier. He was recognized as one of the ten most dependable wealth managers in the Mid-Atlantic, published in Forbes magazine. Additionally, Harry has appeared on CBS News, FOX News, and other broadcast outlets for his industry insights. Harry has been quoted in numerous national publications; Forbes, Investors-Business-Daily, U.S. News & World Report, On Wall Street, Financial Planning, Bottom Line Personal, Inc. magazine, and Think Advisor.

Harry resides with his wife, Jennifer, in Little Silver, New Jersey, and they have seven children.
